Letsau Mogale

SPEAKER · AUTHOR · MENTOR

Roots before fruits.

Twenty-three years inside African boardrooms, leading large teams and billion-rand businesses. Letsau helps leaders build what lasts: the character, clarity and discipline underneath the results.

KEYNOTE TOPICS

01 Roots Before Fruits
The signature keynote. Five principles that separate leaders who last from leaders who peak.

02 The African Boardroom
What works when you build leadership culture at scale on this continent.

03 Faith in the Modern World
Carrying conviction into commerce without compromising either.

04 The Long Walk In
From a village in Limpopo to the boardroom, and the rooms we still have to build.

05 Leading the Next Africa
Why the next twenty years won't look like the last twenty.

WAYS TO WORK TOGETHER

Keynotes
Conferences, offsites and summits. Tailored to the room.

Executive coaching
Three- or six-month terms with senior leaders.

Leadership programmes
Cohorts built on the five roots.

Mentoring
One-to-one, for CEOs and founders.
